**You're All I Want For Christmas** is a musical Christmas variety show for the entire family. World-renowned pianist Marvin Goldstein, beloved actor and musician Kirby Heyborne, and classical vocalist Sarah Morgann, perform together in a Christmas variety show filled with music, sketches, improv and audience sing-a-longs. This family-friendly, interactive Christmas experience ushers in the season with traditional carols, classical Christmas pieces and original Christmas songs. This trio keeps audiences entertained with their extraordinary musicianship and quick-witted humor.

Highly acclaimed pianist **Marvin Goldstein** began musical training at age 9 and by 18 was awarded a music scholarship to Tel Aviv University School of Music, Tel Aviv, Israel. He continued his formal training at the famed "Mozarteum" of Salzburg, Austria and completed his education with Bachelor and Master of Music degrees at Florida State University in Tallahassee, Florida. Marvin travels extensively sharing his gift of music with people throughout the world. Marvin has recorded over 40 compact discs including popular music, patriotic melodies, show tunes, sacred music and love songs. He recently released a CD with Grammy winner Billy Dean and former NBA star Thurl Bailey. Marvin Goldstein has the unique ability to draw his audience into the music as they experience the emotions a particular piece may invoke when the piano comes alive under his direction.

**Kirby Heyborne** is an accomplished actor, musician, and comedian. He has received critical acclaim for his starring roles in the award-winning World War Two drama "Saints and Soldiers", the lighthearted family comedy "The R.M.", the award-winning boy band mockumentary "The Sons of Provo", and the award-winning quixotic comedy "Pirates of the Great Salt Lake" (The Weinstein Co.). He has had starring roles in thirteen features and many short films. Kirby has also appeared on the WB's "Everwood" and many national commercials. As a musician, Kirby has recorded four solo albums and had his music featured in many films. Kirby has delighted audiences across the country with his ability to blend heart-warming stories, beautiful music and comedic wit. Kirby is also co-founder and director of the celebrated LA-based improv comedy group The Society.

**Sarah Morgann** is an international recording artist who sings fluently in several languages. She is promoted by and signed with labels throughout Asia, Europe, Australia, and Canada. Sarah began performing at the age of six. With the encouragement of her vocal coach, Dan Truhitte of Sound of Music fame, she began a professional music career. After meeting Sarah and listening to her recordings, concert pianist Marvin Goldstein invited Sarah to record with him. He and Sarah have recorded seven of Sarah's nine CD's together. Sarah has performed with Marvin for over 10 years giving concerts throughout America, Israel, Central America and Europe.

**“The chemistry and comedic timing between Goldstein and Heyborne rival that of the great comedy duos of Martin & Lewis, Tim Conway & Harvey Korman, and the The Smothers Brothers.”**
