

# You're All I Want for Christmas

There's a new Christmas show in town!

World-renowned pianist Marvin Goldstein, beloved actor and musician Kirby Heyborne, and classical vocalist Sarah Morgann, perform together in a Christmas variety show filled with music, sketches, improv and audience sing-a-longs. This family-friendly, interactive Christmas experience ushers in the season with traditional carols, classical Christmas pieces and original Christmas songs. This trio keeps audiences entertained with their extraordinary musicianship and quick-witted humor.

Says Kirby, "When I'm on stage with Marvin and Sarah, I have as much fun as the audience. You never know what brilliance will come from these two."
